

# About Us

We have now started in more than 65 countries in the increasingly competitive property market for real estate agents, property manager, mortgage broker, property valuation experts and insurance broker to give all Franchise Partner the option to work with no restrictions. The property market can be very tough. Therefore we believe that the Franchise Partner needs, of course, to focus on his main business in their own market. However, in addition there are a lot of possibilities that can be reached in a straightforward business. If the possibility is there and you have restrictions, it can be frustrating. With our national and global brand, you can be part of a start-up network without restrictions, with your own aims and freedom, just as an independent business owner with expertise in the real estate, financing or insurance sector and their own market. We offer beginners, independent real estate agents, property manager, mortgage broker, property valuation experts, insurance broker and entrepreneurs the ability to reach an increasingly competitive market with our unique international brand, in your chosen region or local market. We will support you in reaching your goals. Groundfloor24 is a full-service real estate agency. We sell, rent, manage, value, finance and insure all types of property in the residential, commercial and vacation property sectors. We are franchisor and partner for independent real estate agents and franchisee real estate agencies. Also for independent property manager and valuation experts. In addition for franchisees property management, property valuation experts, mortgage broker and insurance broker. Groundfloor24 is a Franchise System that sets a framework for profitability in your regional or local market. We believe in constant development and improvement to support you in building and increasing your business. Get more out of your profession with our brand Groundfloor24 and our business job opportunity for you. All franchisees and independent partner (real estate agents, property manager and property valuation experts) operating as sole proprietor/ entrepreneur or business owner.
